Dear Burton Louise & Billy,

Your card rec'd and
so glad to hear from you and the good
news about Billy bless him. You know
Burton with all my experience I almost
starved Mildred and she cried day and
night so glad to know you are alright.

Burton I almost forgot to
tell you I was uneasy about you but
Billy came. I'm feeling real well. He
the finest companion that could be found
any where. Every one is lovely to me but
down in my heart I get homesick for
my Florida folks. Clyde hasn't been so
well and your sister has lost 6 lbs
we gave the home garden to Mrs. Steigel
and Mrs. Baldwin they have sent us some
nice vegetables. Well, Emory is an old
married man now.

Did you see them married?
Billy darling you hurry and get fat and
come to see me I want to see you so bad
Beulah is in jail under the care of a
Dr. dont know what her trouble is
she is taking radium treatment and Dr.
told her it is a wonder she has any
reason left, so her trouble must be right

serious. Cecil is back on duty. Write
him a line sometime Burton he is terrible
worried about Beulah. They are going
to Hawaii for overhauling will be gone
till Nov. must say bye and write Cecil a
line send us clipping of Emory's and
Kathryn's marriage if you get one

Love and all good wishes, to
all and kisses for Billy. Mam
