of Billie's double chin and bay window. Atta
boy Billie darling. I bet you will soon be the
biggest man in that family. Hope you are all
well. you would be shocked to see what I eat.

each meal that just tickles my fancy. I have
two notes, two post card folders and a telegram
yesterday from top of Pikes peak. Emory, hasn't
found work, said they would head back to
wildwood soon if he didn't find anything.

Clyde gained three pounds on his vacation

ful food too. Your brother spent a few days
with us last week. Billie darling you eat
lots of Cream of wheat and herry and come to

see me. after your letter came Burton I had
a little afternoon nap and dreamed I had
Billie with me. how is Vera's little girl?
