

**THE
UNIVERSITY OF FLORIDA**

**COMMENCEMENT
CONVOCATION**

FEBRUARY 1962

FLORIDA GYMNASIUM
SATURDAY EVENING, FEBRUARY THIRD
NINETEEN HUNDRED SIXTY-TWO

CAPS AND GOWNS AN EXPLANATION

In the medieval city, clothing not unlike that worn by those participating in this commencement was common. The modern academic costume has evolved from the dress of the medieval guilds and the early religious orders.

Today, everyone with a college or university degree may wear the black academic gown. Hoods, which are omitted by seniors who are candidates for degrees, are worn by graduates. At the University of Florida, the lining of the hood has a blue chevron on an orange ground to represent the University colors. A University faculty member who holds a degree from another college or university wears the colors of his own alma mater.

The velvet edging on hoods is the color which stands for the name of the degree held by the wearer. It may be white for Arts and Letters, gold-yellow for Science, maize for Agriculture, or light blue for Education. Orange denotes Engineering; dark blue, Philosophy; purple, Law; green, Medicine; and pink, Music. Public Health is shown by salmon pink edging; Pharmacy by olive; Business Administration by drab; Architecture and Fine Arts by brown; and Rehabilitation Counseling by light green.

Distinctions between sleeves indicate the type of degree held by the wearer. A long, pointed sleeve indicates a Bachelor's degree, while a long, closed sleeve with a slit near the upper part of the arm designates a Master's degree. A round, open sleeve marks a Doctor's degree.

The Doctor's costume also has velvet trimming on the rest of the gown, including cross bars on the sleeve. The trimming may be either black or may match the color of the hood edging.

The colored tassels on the caps of the candidates for degrees indicate a candidate's school or college as follows:

College of Health Related Services	Light Green
College of Nursing	Apricot
College of Physical Education and Health	Sage Green
College of Architecture and Fine Arts	Brown
College of Business Administration	Drab
College of Pharmacy	Olive Green
College of Education	Light Blue
College of Engineering	Orange
School of Forestry	Russet
College of Agriculture	Maize
School of Journalism and Communications	Black and White
College of Arts and Sciences, Science	Golden Yellow
College of Arts and Sciences, Arts	White
College of Law	Purple
College of Medicine	Green
Graduate School	Black

The orange and blue fourragère worn on the left shoulder of candidates for the Bachelor's degrees identifies those graduating with honors or high honors.

Please do not smoke in the gymnasium proper. Smoking is permitted in the corridors where smoking urns are provided.

VIII. Announcements THE PRESIDENT

IX. Alma Mater *Milton Yeats*

Florida, our Alma Mater,
 Thy glorious name we praise;
 All thy loyal sons and daughters
 A joyous song shall raise.
 Where palm and pine are blowing,
 Where southern seas are flowing,
 Shine forth thy noble Gothic walls,
 Thy lovely vine-clad halls.
 'Neath the Orange and Blue victorious
 Our love shall never fail.
 There's no other name so glorious—
 All Hail, Florida, Hail!

X. Benediction THE REVEREND BLANCHARD
